

A loving home for life's last journey

Mission Statement

Malachi House, created out of a Christian sense of ministry, serves persons who are terminally ill, without regard to gender, race, religion or national origin and without cost to the resident or family. This Home ministers to individuals who need an available caregiver, who have limited or no financial resources and are in need of special home care in the final stages of life. Our trained staff and volunteers provide spiritual, emotional and physical support with the assistance of a hospice team.

Let us honor & remember...

...our loved ones and friends.

We invite you to participate in our 20th annual Lights for Life by donating a light on the trees in the Malachi House garden. These lights will be lit throughout the holiday season to honor your family or friends, or the memory of your loved ones.

Malachi House was founded in 1987 and opened its doors in 1988. Over 2,600 men and women have found the physical, emotional, and spiritual support they need to live their final weeks and months in comfort and dignity. Your contribution will help support this important work. Malachi House has had a rich tradition of remembering the lives of each of our residents. Our Lights for Life celebration offers you an opportunity to remember those who mean so much to you.

Unfortunately, this year we will be unable to hold our annual tree lighting ceremony and reception. We hope that you are able to enjoy this holiday season safely with family and we look forward to gathering together again someday.

For each light you wish to add to the tree, please fill out one of the attached forms and mail it in the enclosed envelope, along with your check for \$10, \$50, or \$100 for each light to:

Malachi House
P. O. Box 932058
Cleveland, OH 44193

Each person or family you honor will be informed of your thoughtfulness, and their names will be on display at Malachi House in our Lights for Life booklet.
